Freeze the Date! Ice House Jan. 24-25

Operation Fuel’s Ice House 2020, presented by Eversource, will be January 24-25 at the Old State House in Hartford. New this year: Our spectacular structure, made of 40,000 pounds of hand-carved blocks of ice, will feature an Ice Garage and a Thermal Imaging Body Heat Photo Booth!

You are invited to #ChillOut with us as we raise awareness of how cold winter can be without warm shelter. Details at operationfuel.org/ice

Homework is Harder with No Electricity

Imagine coming home from school to a dark, cold house – and having to study by flashlight, or not at all.

Thank you for helping keep the #PowerOn for our neighbors.

Connecticut’s Coolest Winter Attraction is Back!

#GIVING TUESDAY

operationfuel.org/give
One of the easiest ways to support families struggling with energy costs is through Operation Fuel’s #AddADollar program, where we partner with utility providers so you can conveniently add a one-time or monthly donation to your utility bill, and the providers send your donation to us so we can use it to help families. All of the money collected for Add-a-Dollar goes directly to providing energy assistance for Connecticut households. Learn how to sign up at operationfuel.org/add-a-dollar

Many thanks to our utilities partners who offer this option:

- Eversource
- United Illuminating
- Connecticut Natural Gas
- Southern Connecticut Gas
- The Metropolitan Water District
- Public utility departments in Norwich, Jewett City, Wallingford

"No one should be cold in the winter. Sometimes, people fall through the cracks. Operation Fuel is the safety net ..."

-- Daniel Canavan, Avangrid
